

West Central  
Grade 7

September 3, 2015

Welcome! My name is Ms. Mack. I teach 7th grade Science and Language Arts. I am very excited to be your teacher this year. Don't worry, you are in good hands. I have many years' teaching experience and I keep coming back for more! I love to teach and I'm proud of my profession. It is a great honor to help prepare our future leaders.

You or your parents can contact me at any time. Please visit my website [mackscience.weebly.com](http://mackscience.weebly.com). You will find lesson plans and information regarding our classroom procedures.

Although I love science, I write almost every day in my journal and use it as a coping mechanism. I also have used writing skills thru out my life, and I'm sure that you also will.

One proud teacher,

Mz. Mack
